Antioch Teams Win Conference Championships By Defeating Palatine Before Overflow Crowd, Play Curtain Dropper Friday At Ela-Vernon

Sequoits Also Beat Zion In Non-Conference Tilt There Saturday Night

Champs Point to Regional At Elgin in Meeting McHenry Team

Both the Antioch High School varsity and the freshman-sophomore basketball teams tucked away championships of the Northwest Suburban Conference in their pocket Friday evening when they defeated Palatine teams. It was the third straight championship for the varsity, who breezed through a 73 to 50 victory over the Pirates while the frosh-sops humbled the visiting underclassmen 45 to 37.

The two Antioch teams will play Ela-Vernon at Lake Zurich tomorrow evening as the curtain lowers on this season's conference play. Regardless of the outcome both Sequoits teams remain champions.

Coach Dick Scott is attempting to maintain his squad at top pace in preparation for the Regional tournament at Elgin in which Antioch will meet McHenry at 6:45 p. m. Wednesday.

Defeat of Ela-Vernon tomorrow night will assure Antioch the "statistical" championship of Lake county. Antioch has won 20 and lost but two this season while her closest rival is Barrington with 19 games won and 3 lost. Barrington will compete in the regional at Glenbrook.

Final Games at Regional

The coming regional games will be the last for eight members of the varsity squad in Antioch uniform. Lost to the squad through graduation will be Ben Floyd, Jack Palmer, Chuck Davis, Fred Clarke, Mike Haviland, Butch Brownlee, Ed Ring, and David Cain. Moved up from the underclassman team to varsity play in the last two games has been Jerry Huml.

District Tourney At Wilmot Will End Sat.

Two Southern Wisconsin sub-district basketball tournaments, which are currently being played at Wilmot High school and at East Troy, Wis., will end Saturday with the play-offs at Wilmot.

Results of the tourney at Wilmot thus far include a win by Clinton over Walworth 58-59, and a second close game between Genoa City and Williams Bay which ended 58-55 with Williams Bay on the long end of the score. These games were the openers at Wilmot and were played Tuesday, Feb. 22.

Two games will be played this evening with Union Grove facing Clinton and Wilmot taking on Williams Bay. Winners of tonight's game will meet on Friday evening and also a consolation game. The finals will take place at Wilmot on Saturday evening with the winner of the Wilmot section of the tourney tackling the winner from the East Troy Division.

Petite Lake Resort Owner Dies In Florida

William Schaefer, 55, a Petite Lake resort owner, died unexpectedly Sunday evening at Melbourne, Fla.

A resident of McHenry, he had been vacationing in Florida. The body has been brought to the Peter M. Justein Funeral home in McHenry and a service has been set for 9:30 a. m. Friday at St. Mary's church in that city. Interment will be in St. Mary's church cemetery.

Surviving are the widow, Catherine, and sons Wilbert of Skokie and James of Racine, Wis. A daughter, Eleanor Flint, died in 1948.

Safety Patrol Honored

Schools in this area today received awards from the Chicago Motor Club honoring student cooperation with the school safety patrols in earning perfect safety records for 1954.

Schools honored included Antioch Community Consolidated, Antioch, Ill.; and Wilmot, Deerfield, Ill. The award is given annually to Illinois and Indiana schools in the Motor Club's territory where students suffered no injuries or fatalities at crossing protected by safety patrol members.

Crusade for Freedom Nets 1,662 Names in Antioch Area Schools

An enrollment of 1,662 and 631 contributions resulted from the drive for the Crusade for Freedom conducted by the student council at Antioch Township High School last week.

Schools participating in the drive were Lake Villa Grade, Antioch Grade, St. Peter's Grade, Emmons Rural, Grass Lake Grade, Chappel Lake Grade, and Antioch Township High School.

The students who conducted the Crusade went to the various schools, contacted individually each classroom, explained the work of the Crusade, and gave each child and teacher the opportunity to sign a Freedom Scroll and make a contribution if he or she so desired. These scrolls are to be sent to Berlin and will be placed under the Freedom Bell which rings every day for the cause of freedom. Each day some of the signatures will be read over the air as Americans who sponsor the cause for freedom. All contributions were sent in their sealed envelopes to the Chicago headquarters which will relay the money to Europe to aid in the purchase of more radio transmitters to broadcast the truth for a radio-free Europe.

The high school Council members who enrolled children and their teachers in the Crusade were under the direction of their sponsor, Mrs. Jeannette Tulumello. Mitzi Wolf and Marcia Hogan enrolled 436 from Lake Villa; Ed Ring and Nancy Rentner enrolled 361 from Antioch Grade; Garnet Seyfarth and John Forbrick enrolled 236 from St. Peter's. Fred Clarke and Russell Gilday enrolled 41 from Emmons and 89 from Chappel Lake. Carol Cervenka enrolled 89 from Grass Lake. David Cain, Phyllis Petersen, Robert Terry, and Robert Cain enrolled 410 from the Antioch Township High School. The results showed a total enrollment of 1,662 and a submission of 631 contributions.

The goal of the Council was to enroll every school one hundred per cent. This was impossible since there was so much sickness during the past week which caused boys and girls to be absent from their classrooms. However, the percentage of enrollment from every school was very high.

Two Hurt at Lake Villa When Brakeless Auto Rams Into Scully Car

James Scully, 16, son of Mr. and Mrs. Anthony Scully of 807 North Main st., received a wound in his right leg that required seven stitches and a head injury when the car in which he sat awaiting a start signal at Rte. 21 and Grand ave. at Lake Villa, was struck from behind by a speeding automobile.

Hile B. Bishop, 42, 822 Fowler ave., Knollwood, Lake Bluff, driver of the other car has been hospitalized and is known to have a leg and head injury.

Bishop's car, a 1954 Mercury struck Scully's car with such force that it knocked the 1951 Plymouth head-on into the 1954 Ford of Joseph Florida of Bensenville, which awaited the signal to go south. The car of Scully which he had taken to Lake Villa to show a prospective purchaser was a complete wreck. The youth, an Antioch High School student, and Bishop were both taken by the Antioch Rescue squad to the office of Dr. Irving Breakstone for treatment of their injuries.

Bishop told Policeman Fred Popp of Lake Villa that his brakes failed as he approached the intersection and he was powerless to stop. Although he went home from the office of the local physician, Mrs. Bishop told Popp her husband went to the hospital yesterday after suffering a relapse.

Neither Florida nor his two companions was hurt.

Borovicka Is Chairman Of R. Cross Campaign

George Borovicka, druggist, has accepted the chairmanship of the local Red Cross.

He has called a meeting for Monday evening, Feb. 28 at the Rescue Squad room where Mrs. Grace Bryson, county Red Cross secretary, and Mr. John P. Kotcamp, president of the North Lake County chapter of the American Red Cross will be present to discuss the campaign.

Borovicka is calling for volunteers.

Bishop Will Institute Fr. Hood as Rector of St. Ignatius March 10

Lenten services are being conducted every Wednesday evening at 8 p. m. at St. Ignatius Episcopal church. The services began on Ash Wednesday with the Litany, Penitential Office, and the Imposition of Ashes. All of the services during Lent will begin with the Evening Office and conclude with a meditation.

The only exception to this schedule will be Thursday, March 10, at which time the Rt. Rev. Gerald Francis Burrill, the Bishop of Chicago, will arrive in the Parish for the purpose of instituting the Rev. Edmund E. Hood as the second Rector of the Parish Church. This service will also begin at 8:00 p. m. All are invited to attend these Lenten services.

Frosh Tournament March 7-9

The Northwest Suburban Conference freshman basketball tournament will be held at Ela-Vernon High school March 7, 8, and 9.

Games will be played at 3:30, 4:30, 5:30 and 6:30 on Monday; 3:30 and 4:30 on Tuesday, and 4 p. m. on Wednesday. Pairings will be announced later.

Antioch will play Palatine at 3:30 on March 7 for the opening game, Coach Kessenich announced today. The Antioch team are the defending champions having won the tournament last year.

Tournament Tickets

Regional basketball tournament tickets will be sold at the high school on February 28 through March 2. Ticket Manager Stillson will have the ticket office open from 8:00 A. M. to 4:30 P. M. It will be necessary to close the ticket sales at noon on Wednesday, March 2, so that unsold tickets can be reported to Elgin.

An adequate number of tickets will be allotted to the local high school for interested basketball fans. All seats will be reserved. Ticket prices will be alike for students and adults. Each game will be considered as a separate session. The gymnasium will be cleared after each game in order to make room for the reserved seats for the next game.

Antioch Sequoits will play their first game of the regional March 2 at 6:45 P. M. against McHenry. In the event of a victory by Antioch they will play at 8:30 on March 3 and tickets will be sold at the high school from 8:00 a. m. to 3:30 p. m. of that day.

Swimming Pool Committee Will Report To Lions Club Mar. 14

Judge Hulse to Speak Before Salem P. T. A.

Judge Minard E. Hulse of the Lake County court, Waukegan, will speak on "Juvenile Delinquency" at the meeting of the Salem Parent-Teacher Association at 8 p. m. Tuesday at the Salem Grade school.

Flap-jacks will be made and served by a group of men comprising Jasper McCormick, Ernest Schaeffer, Art Cook, Michael Korlovitz, Cecil Elega, Louis Barthel, Robert Hansen, and Ernie Wiedman.

Committee Urges That All Residents Send Replies

A decision to report to the Antioch Lions club on March 14th was made at a meeting of the Swimming Pool committee last night. It is believed that by that time a sufficient number of replies will have been received to give a truly representative picture of the wishes of a large cross section of township residents.

Replies are coming in at a good rate in answer to a mass mailing made early last week, but a large number of residents have not as yet returned their questionnaires, and it is urged that this be done at once in order that the best possible picture of the wishes of the majority can be included in the report.

Replies received thus far indicate that from a financial view the pool is well within the realm of possibility, but the committee feels that more replies from prospective users of the pool will be helpful in influencing a decision favorable to construction of the pool.

Analysis of replies to the mailing is a lengthy job which can not be finished until a later date, when replies are more complete, but a scanning of the results shows that the replies fall roughly into three categories. A large percentage are wholeheartedly in favor of the project and indicate that they will be purchasers of revenue bonds to help finance the pool. One Antioch couple wrote the following on their questionnaire: "We live in the heart of the lake region and yet have no place to swim. We think that it something of the sort, to be able to pay a yearly membership fee, or something of the sort, and be able to have the use of a pool. We're behind the project 100 per cent and are willing to work like 'mad' for it."

A Chicago man, who is a summer resident here had the following to say, along with an indication that he would purchase \$500 or more in bonds: "Very excellent idea. With Antioch growing like it is, the juvenile problem increases. I hope you folks can see it to completion in the very near future."

About one quarter of the replies indicated interest in providing a pool, but asked that more data on the size, shape, location and operation of the pool be furnished. While this information would be very worthwhile, it is explained that the survey underway is of a preliminary nature, and that these questions can not be answered at this time. It will be necessary to complete the survey, tabulate the returns, and estimate the needs of the community before a decision on any of these can be reached.

About 20 per cent of the replies are either negative or show no interest in the pool project. This was expected since the letters were sent to all real estate owners of the township, many of whom have moved away or have no interest in the region.

Dr. G. W. Jensen, co-chairman of the committee said today that he was hopeful that a large number of replies would be received during the next two weeks. This would, he said, insure a sufficiently high percentage of representation of the population to make the report which will be given March 14th authentic and comprehensive.

Grade School Tourney In Progress at Antioch, Fox Lake First Winner

Fox Lake defeated Woodland of Gages lake in the invitational grade school basketball tournament at the Antioch Grade school yesterday afternoon.

Hebron meets Lake Villa at 3 p. m. and Antioch meets Channahon Lake at 4 p. m. today as the tournament progresses. Fox Lake will play Saturday night and the losers will play the consolation game.

Supt. Richard Whitacre of the Antioch school said that three fine trophies have been obtained for presentation to the first, second and third place teams.

Child Hurt Through Fall
Sandra, 17-month-old daughter of Mr. and Mrs. Leon Hester of Antioch, suffered a brain concussion shortly after noon yesterday in a fall at her home. The little girl was taken by the Antioch Rescue squad to Victory Memorial hospital in Waukegan for care. The father of the child is employed at the Amiel Feyerabend, Inc. Studebaker garage.

High School Board Election on April 9 to Fill 2 Vacancies

The election of two members of the board of education of Antioch Township High school will be held at the high school and Lake Villa Grade school on Saturday, April 9.

The three year term of two members of the present board, Lester Hamlin, and Elmer Rentner, expire at that time. Mr. Hamlin and Mr. Rentner have indicated that they will file petitions for re-election to the board.

Nominations for members of board of education shall be made by a petition signed by at least 50 voters or 10 per cent of the voters, whichever is the less, residing within the district, and filed with the secretary of the board of education, Louis A. Biel. These petitions should be accompanied by a statement of acceptance of candidacy signed by the candidate.

Petitions may be filed beginning Feb. 23, and will be accepted until March 19. Candidates may withdraw their names from the ballot if they notify the secretary in writing on or before March 25.

F. O. Stockwell First Speaker at Methodist Lenten Service Mar. 1

F. Olin Stockwell will speak at 8 p. m. Tuesday at the Methodist church of Antioch.

This is the first in a series of five Tuesday evening lenten addresses at the church. Mr. Stockwell was one of the last missionaries to leave Communist China. He will share his experiences through 22 months' imprisonment in Communist China, including nine months of brainwashing.

The theme of his address will be "With God in Red China" which is also the title of his book published by Harper & Brothers, 1953. The cover jacket of the book tells that his book deals with such questions as: "What makes Communism click?" "... What Is Happening to the church in China?" "... Why did Chiang's government collapse?" The publisher in evaluating the book also evaluates the talk when he says:

"Significant as this topical information is, nevertheless this book's greatest interest and value lies in the story it has to tell of what happened inside a man confronting a continual hatred and hostility. Here is the moving testimony of how he wrung victory out of defeat and found again the tremendous sustaining power of his Christian faith."

Mr. Stockwell is a graduate of Garrett Biblical Institute in Evanston, Ill., and volunteered for missionary work in China in 1929. Both he and his wife Esther will be present and ample time will be allowed for discussion following the address. Those persons in the community who are interested to hear Rev. Stockwell are invited to attend. An offering for missions will be received.

Grade School Band Will Enter District Contest

The Antioch Grade School Band association meeting Monday evening appointed committees for the card party on March 19 to raise money for band uniforms.

The committees are: Cards—Mrs. Donald Stowe and Mrs. Lloyd Murrie, co-chairmen; refreshments—Mrs. Gus Mantis and Mrs. R. B. Bruhn, co-chairmen.

The finance committee is planning several bake sales under the direction of a committee comprising Mrs. Jesse R. Close, Mrs. John Lucas, Mrs. Ernest Ott, and Mrs. Elmer Christensen.

The band will enter the district contest in North Chicago on March 29. Parents are invited to attend and supply transportation.

With most of the reports in, Dr. Charles Solar, chairman of the March of Dimes drive in the Antioch region announced contributions amounting to \$1,636.04.

This amount does not include contributions made to the county headquarters by Antioch area residents which may extend the total near the \$2,000 mark.

Dr. Solar said he was most happy and satisfied with the generous response. William Brook and the Antioch State bank received and audited all contributions for proper disbursement.

Vern Heath of Chappel lake organized many of the outlying lake regions and Robert Taylor contacted the business houses in town. The churches, schools, rescue squad, police and fire departments were most cooperative, Dr. Solar said.

Many of the women in the community participated in the Mothers March on Polio January 27 despite the sub-zero temperatures and bitter cold. Their total was \$528.51.

Dr. Solar gave great credit to the following women solicitors:

Mrs. Robert Bemis, Miss Evelyn Benn, Mrs. Raymond Breuer, Mrs. Francis Burke, Miss Jane Cribb, Mrs. Arthur Dalziel, Mrs. Walter Delaney, Mrs. Fred Dittmer, Mrs. John Dupre, Mrs. Rudy Eckert, Mrs. Brian Elliott, Mrs. Elmer Eberman, Mrs. Arthur Fortman, Mrs. John Furlan,

Mrs. W. H. Gillum, Miss Joan Haak, Mrs. Marshall Haydon, Mrs. Jean Homan, Mrs. John Horan, Jr., Mrs. Pearl Kapell, Mrs. Paul Kessenich, Mrs. Dorothy Koelg, Mrs. Sylvia Listina, Mrs. Bruno Manzardo, Mrs. Charles Miller, Mrs. Leora Miller, Mrs. Joseph Nemec, Mrs. Irma Pouch, Mrs. Jean Rockow, Mrs. Elmer Rudolph, Mrs. Clara Sargol, Mrs. Richard Scott,

Mrs. Anthony Scully, Mrs. Lillian Smoc, Mrs. Charles Solar, Mrs. June Soncek, Mrs. Virginia Steffenburg, Mrs. Edna Toft, Mrs. Richard Waters, Miss Esther Webber, Mrs. Frank Zeman, and Mrs. Paul Zeien, Jr.

Champion Frosh-Sops Beat Palatine, Lose Heartbreak to Zion

The Antioch Soph-Frosh team without the services of Jerry Huml who was moved up to the varsity, defeated Palatine in the curtain raiser Friday night 46 to 37. Coach Warren Polley's boys took a 18 to 9 lead in the first quarter, led 22 to 15 at the half, 30 to 19 at the third quarter and 45 to 37 at the finish. The victory gave them the conference championship.

For Antioch Ed Hastie was high point man with 15 points, while Lonnie Christensen and Harry Evans both scored 10. For Palatine Glynn and Segebrech tied for high with 10 each.

After leading 24 to 12 at the half and 28 to 25 at the third quarter the Antioch frosh-sops lost under the final onslaught of the older Zion junior-varsity players there Saturday night 33 to 35. After making 24 points in the first half the Sequoits made but nine in the entire second half. Ed Hastie was high point man for Antioch with 16 markers and Hosken for Zion with 15.

Mrs. Sylvia Rozek who received a back injury in a toboggan accident last week is improving and may be able to leave the hospital in about a week and return to her home at Indian Point. Appreciation contributions are coming in satisfactorily, Ralph Tutein, fund chairman said.

Economic Highlights

The problem of chronic illness is a tragic and serious one. Nearly 5,300,000 people suffer from it and require long-term care, including those with hardening of the arteries, diabetes, arthritis, paralysis, and protracted illnesses resulting from injury.

Over a period of years the Commission on Chronic Illness—which was founded through joint action of the American Hospital Association, American Medical Association, American Public Health Association, and American Public Welfare Association—has been studying the problem and framing conclusions and recommendations based on the experience and knowledge of many people.

The Commission's complete report has not yet been published. A short time ago, however, it issued a partial report dealing with the planning of facilities to care for chronically ill people. This is particularly timely now, because of recent amendments to the Hill-Burton Act, providing for Federal aid in construction of hospitals and related institutions.

Here, in brief, are some of the Commission's findings:

Care and prevention are inseparable. Those assuming care of the long-term patient have the obligation to apply early diagnosis and prompt treatment in order to prevent aggravation of the disability.

The cost of programs should be measured first in terms of human values, of effectiveness, and of productivity. The most economical care is that which most quickly and as fully as possible returns the patient to health.

Adequate institutional facilities for these patients are necessary and areas which do not have them should provide them. At the same time the Commission feels that major emphasis should be placed on care in and around the home.

Rehabilitation services are extremely important, and programs, institutions and personnel must be aggressively rehabilitation-minded.

The personal relationship between long-term patient and physician should be strengthened. The agency should not be regarded as a substitute for the personal physician.

No pattern for organizing services fits all communities. Planning should be based on local regional facts as to needs, population, financial capacity, etc.

Planning must be directed to the needs of all long-term patients, and not limited by racial, economic, cultural or other such considerations. It should also take into account the services now available to special groups, such as veterans and members of fraternal orders.

Personnel shortages constitute a major block to improvement of care of the chronically ill. The solution lies in better recruitment, assistance with the

costs of education, higher salaries, and other inducements.

The Commission also suggests that medical and health insurance and prepayment plans should extend coverage to allow benefits in chronic illness, and that more tax funds should be allotted to institutions for the care of these patients.

The problem is difficult. But concrete steps, based on a wealth of factual information as well as qualified opinion, are being taken to solve it.

Grass Roots Opinion

ORANGE GROVE, TEXAS, OBSERVER: "The need and the desire to serve have always been and always will be a major motivating force of business. Neighbor competes with neighbor . . . but nearly always to the end of giving the consumer more and better products, superior service, higher value. That is the American tradition."

BRODHEAD, WIS., INDEPENDENT-REGISTER: "From less than a million in use in the early 1930's, there are today more than 4,000,000 tractors on American farms—pulling everything from plows and harrows to cultivators and harvesters. They mean more manpower output, fewer backaches, and a rise in farm production of more than 40 per cent in the last 20 years."

SEATTLE, WASH., POST-INTELLIGENCER: "There's just one difference between so-called public ownership and so-called private ownership, whether it's ferries, trees or power. In private ownership the company gets the lumps when they come. In public ownership—with so few exceptions that they shine out—YOU get the lumps when they come."

DENTON, MD., COUNTY RECORD: "Tax inequalities should be rooted out of our federal fiscal system—particularly so when they violate the cardinal principle of fairness and justice to all alike."

The Low Down From Hickory Grove

Seems like there is always some guy in politics or what have you, springing up and into the fray to INVESTIGATE. A person from some foreign land looking us over—and listening—would get the notion that we must be quite a shady lot.

You take a sizeable outfit in business if it has paid attention to its P's and Q's—starts paying dividends—it is approaching the investigation stage. Some congressman or would-be-congressman, will smell something crooked—also sniff some publicity for himself, so he sounds-off. Lookit, he says, the people are being abused—sold down the river by the big outfit, it should be put in its place.

I say, I would not choose to tie up with a company that was not making a profit—a company barely making a go of it, operating on the fringe or verge of throwing in the sponge. Everybody in this U. S. A. is interested in the success of capitalism—every worker and his sweet little helpmate. Capitalism has made the U. S. A. the champ among nations. With socialism we would look as bedrabbed as many a foreign land that has played around with make-believe "let the people operate the business and get the profit"—and are now looking to the U. S. A. to bail 'em out.

It is time to make up our mind that any outfit that does not make a profit is not a safe place to work. End of sermon.

Yours with the low down, JO SERRA

WILMOT

Willmot High School Juniors

To Present Hillbilly Comedy
"Headin' for the Hills," a three act hillbilly comedy by Lee Roma Rose, has been chosen as the junior class play, to be presented by Willmot high school students Friday evening, March 4.

Rehearsals are now in progress under the direction of Miss Genevieve Gulan and student director Sue Bergmark. Plot of the fast-paced comedy revolves about two city girls forced by circumstances to live with some hillbilly cousins. Their revulsion at the squalor of their surroundings is further aggravated by an uncle. One girl manages to adjust herself, but the other cannot reconcile herself to this different type of life. A climax comes about following the marriage of their widower uncle to the woman who has long been pursuing him. Both girls begin to realize there's something to be said for life in the hills and that hill billies are human beings too. Cast members are Jan-

Postal Department to Seek Increased Rate for Mailings

Postmaster Roy Kufalk has received information that the Post Office Department has proposed to congress that moderate increases be voted on first, second, and third class mail.

The proposal is to increase first class mailing from 3c to 4c and air mail likewise one cent. The cost still will be under the 5c charge of Canada; 8.5c in Sweden; 9.6c in Germany, and 4.17c in England.

First class mail is now being carried at a loss.

Rates will remain the same for religious, education, scientific, philanthropic, agriculture, labor, veterans and fraternal organization matter coming under second class.

Third class mail consists primarily of circulars, advertising matter, miscellaneous material, and merchandise weighing 8 ounces or less.

Area Girl Scouts Tell Plans for Council Show At Round Lake Mar. 12

Plans for the Lakeside Girl Scout Council Exhibit, to be held March 12, are well under way. Mrs. Barbara Richardson, chairman for the exhibition committee, states that several troops have already contacted her regarding their part in the program. Intermediate Troop No. 9 of Lake Villa is planning to present a Juliette Low Skit.

Brownie Troop No. 11 of Grass Lake and Intermediate troop No. 12 of Round Lake are going to demonstrate square dancing; Brownie troop No. 1 of Lake Villa will do a Dutch dance; Intermediate troop No. 41 of Round Lake is preparing a humorous pantomime; Intermediate troop No. 6 of Grass Lake a puppet show, and Intermediate troop No. 51 of Round Lake will do a dance called Laces and Braces.

Mrs. Richardson reminded those troops planning to participate in the program, and also those planning

to show an exhibit to be sure to call her before Feb. 25. Her phone number is Grayslake 3-7031.

The exhibit will be held on Mar. 12, at the Round Lake Consolidated Grade school from 3:30 p. m. to 10 p. m. There will be two programs, one in the afternoon at 4 o'clock for the Brownie troops, and one in the evening at 8 o'clock for the Intermediate troops. There is no admission charge and the general public is invited to attend.

Brownies and Girl Scouts representing Fox Lake, Ingleside, Long Lake, Round Lake, Grayslake, Lake Villa, Venetian Village, Grass Lake, and Antioch will participate in this event.

The University of Illinois-Veterinary Medicine Clinic treats 15,000 animals a year.

Last year the Red Cross spent 40 per cent of its budget for counseling, financial assistance, communications, and services in hospitals for American troops around the world, and for veterans.

The beautiful Bel Air Sport Coupe with Body by Fisher

It's highway robbery!

For sheer fun out on the road, Chevrolet's stealing the thunder from the high-priced cars!

Up to this year, maybe there were reasons for wanting one of the higher priced cars. If you demanded something extra in driving fun... something really special in the way a car handled and felt and responded to your wishes... you simply had to pay a premium to get it.

Not any more! The Motoramic Chevrolet for 1955 has changed all that. In fact, it's stealing the thunder from the high-priced cars on their own home-grounds—out on the highway.

Talk about excitement! You have 162 high-compression horsepower under the hood with the

new "Turbo-Fire V8" (180 h.p. is optional at extra cost in all V8 models if you want it.) Or you can take your pick of two new "Blue-Flame" 6's—the hottest, highest powered sixes in the low-price field! Any one of these three engines brings you all the good things that come from Chevrolet's long leadership in valve-in-head design.

As for drives, just name it. Chevrolet offers new Overdrive, Super-Smooth Powerglide (extra-cost options), or a new and finer Synchro-Mesh transmission.

You're headed for fun in the Motoramic Chevrolet! You're headed for a ride such as you'd expect only in highest priced cars. You're headed for "heads up" stopping, too, and easier steering. All this, with Chevrolet's traditional economy. Come in and put this "show car" on the road!

SOCIETY EVENTS

Antioch Woman's Club Entertained Seventy At Meeting Of County Federation Of Clubs

Seventy guests representing 14 clubs were present Monday at the meeting of the Lake County Federation of Women's Clubs for which the Antioch Woman's Club was hostess Monday afternoon at the Scout House.

The meeting was presided over by Mrs. Wendell Dickson, who named the following auditing committee for the current year: Mrs. L. R. Qualman, Mrs. Louis Young and Mrs. Joseph Church. Lake County Federation has voted to make a donation to the Lake County School for mentally retarded children.

Mrs. Dickson also directed attention to the federation-sponsored drive for musical instruments for the Geneva School for girls. Any instrument in usable condition would be welcomed by Mrs. Arthur C. Krueger, district chairman for Youth Conservation.

Mrs. D. E. Riedl, district Veterans' Service chairman, spoke briefly of the work of her department and extended an invitation for May 15, Hospital Day, when the public is invited to visit Downey hospital. She also announced the annual carnival at the hospital, to be held on June 20 and 21.

The nominating committee, Mrs. Gordon L. Simmons, chairman, Mrs. Clinton Fritsch and Mrs. Harold G. Mason, presented the following slate of officers for the next two years: for president, Mrs. E. V. Lake, Waukegan; for recording secretary and treasurer, Mrs. E. C. Luther, Libertyville. The election will take place at the April meeting.

The speaker for the afternoon introduced by Mrs. W. C. Petty, was Patricia Clafford, noted throughout Chicago and the Midwest for her lectures and book reviews. This was Mrs. Clafford's third appearance before the Antioch Woman's Club, and her subject was "Make Personality Work for You." Her discussion was filled with humor and some of her original poetry.

Mrs. Clafford offered as the three golden keys to success the qualities of appreciation, affection and assurance, and pointed out that any woman could develop the first two until almost any ambition could be realized.

The last Lake County meeting of the year will be held April 6 at the Ingleside Town Hall, with the Woman's Community Club of Round Lake Park and the Woman's Club of Long Lake as co-hostesses.

The Antioch hostess committee comprised Mesdames William Brook, I. L. Breakstone, A. H. Kaufmann, Ben Burke, John Horan, William Cooper, Edward Jahneke, Joseph Patrovsky, Jr., William Petty, and C. N. Dunbar.

TREVOR EAGER BEAVERS RESPOND TO RALLY CALL

The Trevor Homemakers sponsored the "Rally Call" for the Trevor Eager Beavers 4-H Club and their parents at the school last Thursday night.

The pledge of allegiance and 4-H pledge were led by Rosemarie Ziegler, president. Mrs. Lee Barhyte, Jr., led the group in singing America. Mrs. James Mackenzie, Jr., president of Trevor Homemakers, extended a word of welcome to the parents and potential members. She introduced Mrs. John R. Plunkett as general leader for the coming year and Mrs. Glen Eckhart as co-leader. Mrs. Plunkett then introduced the following project leaders:

Sewing I—Mrs. Milton Patrick; Cooking I—Mrs. Glen Eckhart; Sewing II and III—Mrs. Plunkett; Cooking II—Mrs. Henry Prange; Vegetable Gardening—Mrs. Bernard Schnegass; Live Stock—Fritz Frank; Electricity—John R. Plunkett; Woodworking—Wilson Runyard.

Paul Jaeger, 4-H Agent of Kenosha County spoke on "Understanding How 4-H Works." A style show was given by Ruth Kaiser, Rosemarie Ziegler, Diana Plunkett, Carole Prange and Glenna Eckhart. Exhibits were displayed along with ribbons won at the county fair by the following girls and boys:

Cooking, Frances Mattis, Lorelei Steffan, Susan Eckhart, Janet Ziegler and Susan Ramsdell.

Woodworking: Heinz Kaiser and Jim Schultz.

Vegetable gardening: Boy Syes. Pigs: Frank Wilcox; and Rabbits: Charles Prange.

The movie "Conservation in our National Forests" was shown and Mr. James Mackenzie, Jr., school board director, invited the boys and girls to display their exhibits again at the "Open House" to be held at the school some time in March.

Refreshments were served by the Trevor Homemakers Club.

Addresses Rotary Club

Howard Gaston, editor of the Antioch News, addressed the Rotary club of Richmond there yesterday in the problems of publishing. That village is anxious to obtain a locally published newspaper and the merchants were anxious to know what the undertaking involved. Gaston told them that unless there were a job shop connected with the plant, a newspaper there would not be profitable to the right kind of publisher.

Women of Moose Plan Public Initiation for Prospective Members

A public meeting at which prospective members may witness an initiation, will be conducted by the Antioch Women of the Moose in April.

A candidate will be initiated at the March meeting.

April 28 has been tentatively set for the Queen of Sponsors dinner which will give the co-workers up to the last meeting in that month to bring in new candidates.

Tickets are available for the St. Patrick's corned beef and cabbage dinner on March 17 and may be purchased from any of the members of the Mooseheart committee. The Royal Order of the Moose is sponsoring a dance following the dinner and have engaged the Bob Vogel band.

Hospital Guild Chairman Mrs. Fred Gras, announced that her committee is planning a jewelry demonstration following the business meeting on March 24.

Moosehaven Chairman Mrs. Anton Johnson, has contacted home talent from the high school as a part of her Chapter Night program next month on March 3.

Co-workers Mesdames Ralph Hoerner, Henry Grewe, Harry Arndt, William Horton, William Meyer, and Evelyn Fencel joined in the monthly Birthday march.

Ritual Chairman Mrs. Walter Good, and her committee conducted a few games after the meeting and followed with refreshment.

ANTIOCH 4-H CLUB HAS VALENTINE PARTY

The Antioch 4-H club held a valentine party February 14 under the leadership of Mrs. J. J. Bruski, Mrs. Edward Zalatoris, and Mrs. Kissel. Refreshments of cookies and cocoa were served and games were played.

CHANNEL LAKE COMMUNITY CLUB TO HOLD CARD PARTY

The Channel Lake Community club will hold a card party at the Channel Lake Grade school Saturday evening at 8 p. m. The event is to raise funds to help with the hot lunch program. For the first time in many years the lunch program is unable to maintain itself financially, due to the increased enrollment and the need for more labor hours. The club is not in favor of increasing the lunch price, so are hoping that all parents and friends will attend the party.

The event is public and tickets will be on sale at the school door for those wishing to buy them there. There will be a prize for each table and refreshments, and prizes which are being donated by the stores of Antioch. All proceeds will be turned over to the hot lunch program.

CATHOLIC NURSES TO MEET AT ST. THERESE SUNDAY

An organization meeting of the Council of Catholic Nurses of the Archdiocese of Chicago has been arranged by Mrs. Marie Castello, president, to be held at St. Therese's hospital solarium at 2:30 p. m. Sunday, Feb. 27 for the convenience of graduate nurses in Lake County. All Catholic graduate nurses who are interested are invited to attend this meeting.

The first of a series of Lenten luncheons will be held next Thursday, March 3 at the St. Ignatius parish hall. Serving will begin promptly at 11:30. There will also be luncheons March 10 and 17.

On Feb. 14 at 10:15 Jackie Stieber, 11½ year old son of Mr. and Mrs. Jack Stieber of Felter's Subdn., was rushed to Victory Memorial hospital with an appendicitis attack. The next morning he underwent an operation and after a five day stay returned home feeling better and proud of his scar. He appreciated very much the presents and card sent him by his friends and relatives.

Rescue Squad Aids Two

Guido Lazzaro, operator of a resort at Petite lake, suffered a heart attack Monday and was taken by the Antioch Rescue squad to Victory Memorial hospital in Waukegan after he had been revived by oxygen.

The squad also took Mrs. Tiebal of Rosecrans to a Waukegan hospital Sunday after she suffered a stroke at her home.

V.F.W. Announces New School Essay Contest On "Flag of Freedom"

Students of the Chain-of-Lakes area will have the opportunity of expressing their opinion on the subject of patriotism by participating in an essay contest which will be conducted by the Veterans of Foreign Wars.

Contestants have a little more than two weeks in which to enter the contest in which they will write on the subject "Flag of Freedom."

They are advised by those conducting the contest to go to the school library, play the patriotic phonograph records and thoroughly examine the American literature the Veterans of Foreign Wars have given the school as a means of help.

The purpose of the contest, it is said, is to promote Americanism in the schools and to combat Communism.

Mrs. E. J. Hays entertained the members of St. Ignatius' choir on Shrove Tuesday with a waffle supper.

Huntton Gets Science Award

James Huntton, a member of the senior class of Central High School, Salem, is the 1955 winner of an honorary science award medal for achieving the highest scholastic record in science subjects during his high school career. It has been announced by A. H. Erickson, principal.

Only winners of this award, presented annually in 5,700 secondary schools throughout the country, are eligible to compete for certain science scholarships at the University of Rochester.

Blue Cross Deadline Set

Monday, Feb. 28, will be the last day on which eligible Lake county residents will be able to join Blue Cross Plan for Hospital Care and Blue Shield Medical-Surgical Plan, according to Joseph Geier of Gurnee, president of the Lake County Health Improvement Association, which is sponsoring the enrollment. The enrollment opened on Feb. 14.

Sells Interest in Bull

The Ravenglen farm on Rte. 173 east of the village has sold a half interest in its herd sire, (Ravenglen Echo Triune, to Herman Schrock of Mishawaka, Ind., who finds that the animal will fit into his breeding program. Parents of the young bull are Ravenglen Triune Prince and Durke Fobes Payne.

Massed Chorus of 14 High Schools Will Appear at Central H. S. Monday

One of the outstanding musical events of the year will be held at the new Central High School, Salem, Wis., on Monday, Feb. 28. The event is the annual Massed Chorus Festival, which brings together singers from the choruses, choirs, and glee clubs of fourteen different high schools in southeastern Wisconsin.

The singers will together form a large massed chorus of some 200 voices, and will be conducted by Mr. Harold Chamberlain, formerly choral director at Ripon College, Ripon, Wis. The effect of a large chorus such as this is quite overwhelming, and presents an unforgettable experience to singers and audience alike. They will sing the following program:

Rise, Arise!.....Peter Norman
The Viking Song.....Coleridge-Taylor
Praise Him.....J. S. Bach
While We're Young.....Davis
The Deaf Old Woman.....Davis
Serenade from "The Student Prince".....Romberg
Good News (Spiritual).....arr. Smith
Psalm 150.....Wewandowski
There is a Balm in Gilead (Spiritual).....Dawson
All Glory, Laud and Honor.....Teschner

superiority of the Antioch teams Friday night. The varsity, anxious to avenge the defeat at Palatine earlier in the season, got busy at the start with their pressing style of play and held a 13-8 advantage at the quarter. The score at the half was 34 to 25, Antioch, and at the end of the third quarter 53 to 38. The last quarter was a rout as Eck and Captz of Palatine fouled out.

Mike Haviland continued to lead his team mates in the scoring although he didn't get the range of the basket until the second half. He made a total of 25 points which kept him well up among the top five players in the conference.

Likewise, playing good games both on the offense and defense were Ben Floyd, Jack Palmer, Fred Clarke, not to overlook Butch Brownlee who was second high point man with a total of 16 points.

It was a game that delighted the Antioch fans who packed the gymnasium to overflowing. These same fans will be cheering the team at Elgin next week.

Win From Zion Easily

The Sequoits stepped out of their conference Saturday night and defeated Zion-Benton High at Zion 64 to 57. Antioch got off to a fast start and let 18 to 7 at the quarter. They were outscored in the second quarter, but managed to lead at the half 33 to 24. They forged ahead in the third quarter to a 52-35 lead, and then coasted the last quarter in which they were definitely outplayed by Zion.

Local Resident to Appear On "Farmtown U. S. A." Program at 2 P. M. Sun.

CHICAGO.—Ways modern feeding methods have improved the poultry industry will be illustrated on "Farmtown, U. S. A." on Sunday Feb. 27.

The half-hour show will feature the Mount Hatchery operator, George Hawkins, of Antioch, who will bring live chickens of various ages to the studio for viewers to see. George Menard, master of ceremonies, will welcome Hawkins for the 2 p. m. show on WBBM-TV (channel 2). Hawkins father, Arthur, helps Hawkins, operate the hatchery and will also appear on the program.

Hawkins is director of feed services for the Illinois Farm Supply Company, the hatchery operation providing a good outlet for him to test various feeding techniques. A few years ago, it took 13-14 weeks for a farmer to produce a three-pound broiler, requiring 12 pounds of feed to reach that weight.

Now modern feeding and handling can produce a three-pound broiler in 8-10 weeks and requires nine pounds of feed. The younger, faster-growing bird enables the farmer to market a tastier bird, too.

"Farmtown, U. S. A." is a public service feature of the CBS television station, presented by the Illinois Agricultural Association and the Pure Milk Association in cooperation with the CBS education department.

Woman Teacher and Two Children Hurt In Millburn Accident

The Antioch Rescue Squad gave aid and transportation to Mrs. Margaret Calhoun, 37, of Rte. 21 and Druce Lake rd., Grayslake and her two children, Mack 9, and Chris 5, after their car was wrecked by a hit and run driver at Millburn Saturday morning.

Mrs. Calhoun, a teacher in the Grayslake High school, suffered a compound fracture of the right leg, a broken nose, cuts and bruises when she was pinned beneath the car. The boy suffered a possible skull fracture and the girl a broken nose.

Captured at gun point later near Gurnee by Deputy Sheriff William Wood were Virgil LaDue, 20, Whiter, Minn., driver of the hit and run car and two companions, Lyle Warren, 21, also of Whiter, and Christy A. Berry, Jr., 40, Kenosha.

LaDue was charged with drunken driving and his companions with disorderly conduct.

While Wood gave chase to the fleeing men, Deputy Carl Schmidt extinguished flames in the engine of Mrs. Calhoun's overturned car and forced open the jammed door to free Mrs. Calhoun.

The accident occurred when LaDue's car sideswiped the car of Mrs. Calhoun in passing.

The injured were taken to Victory Memorial hospital.

Stenographers Needed At Downey Hospital

Doctor Lee G. Sewall, manager of the Veterans Administration hospital, Downey, Ill., announces that there is an urgent need for stenographers at the hospital. Vacancies exist for secretaries and stenographers in the various medical services and the beginning salary for a qualified stenographer is \$2950 per year.

Quarters and subsistence if desired are available at the station. A reasonable charge is made for room and board and the acceptance of subsistence is optional with the employee.

Other benefits of Civil Service employees will be available, such as Federal Government Life Insurance, Civil Service Retirement, annual and sick leave, and opportunities for advancement.

Interested and qualified applicants may call at the Personnel Office, Building 3, VA Hospital, Downey, Ill., or obtain application for federal employment at nearest postoffice and forward to Personnel Officer, VA Hospital, Downey, Ill.

49 Cub Scouts See Cinerama at Chicago

Forty-nine Cub Scouts of Pack 92 and six Boy Scouts of Troop 92 enjoyed a trip last Saturday to Chicago, where they viewed a performance of Cinerama at the Palace Theatre. Accompanying the group were Charles R. Smith, cubmaster, Mrs. Robert Berg, Mrs. Lorraine Blackman, Mrs. Delia Jahneke and Mrs. Wilton Pullen.

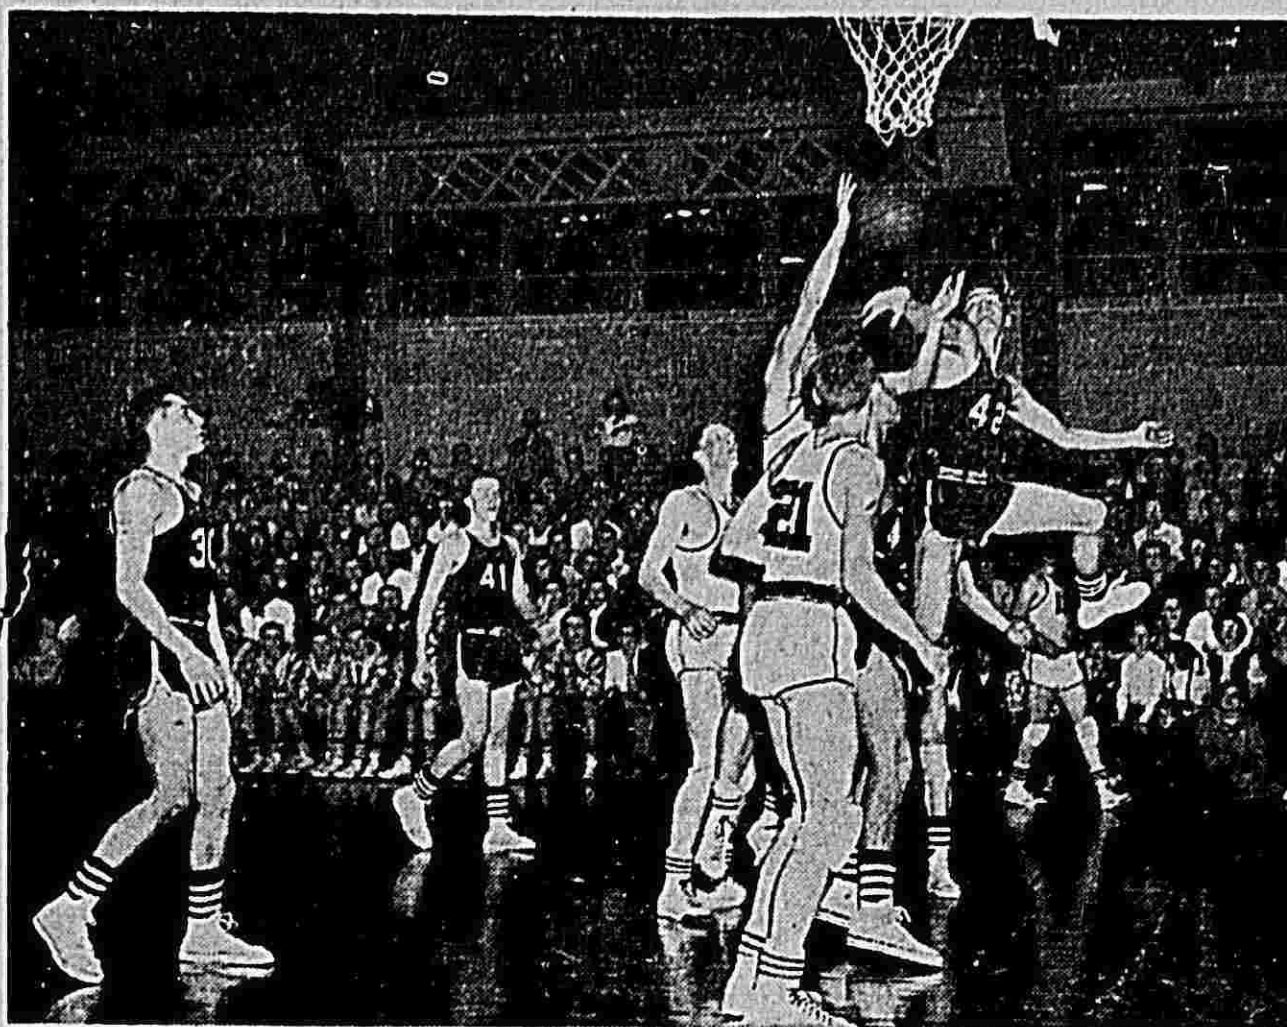

Supt. Richard Whitacre arranged for use of the Antioch Grade School bus and Thomas Mahoney, Charles Larson and Thomas Custer of the Lake County Sheriff's office furnished a police escort.

The cubmaster is extremely proud of the excellent behavior displayed by all scouts. A song fest on the return trip was particularly enjoyable.

Since 1910, the American Red Cross has issued over 16 million first aid certificates to persons instructed in Red Cross First Aid methods.

Easter Seal Sales to Aid Crippled Children Training in Antioch

County Judge Minard E. Hulse, president of the Crippled Children's Aid Association of Lake County, today announced plans for the 1955 Easter Seal sale program. He said Easter Seals will be mailed out early next month to 54,000 Lake County families, along with a letter and brochure explaining the association's aid-to-the-handicapped program.

Funds raised through sale of Easter Seals are used by the association to provide the type of aid unavailable through other governmental or aid organizations.

The famed Jackson School Center for crippled children in Waukegan, where handicapped youngsters from all parts of the county obtain normal schooling, is part of the Easter Seal program.

Besides this, the association provides costly equipment, expert counseling, services of a trained therapist and necessary transportation for the county's crippled.

Judge Hulse said that "unfortunately the demands on the association during the past months have exceeded our ability to meet the costs. We only hope that we can obtain the necessary funds this year to prevent curtailing our work."

He announced that George R. Ryan of Waukegan has been named to head the association's Easter Seal sale campaign.

Supplementing the sale will be distribution of collection canisters throughout the county under the direction of Mrs. Charles Navard of Waukegan.

Lake County bowlers, fraternal and civic groups also contribute to the association, which operates on an annual budget of approximately \$16,000.

HOTTEST BUICK IN HISTORY

No wonder you see so many 1955 Buicks on the highways—they're rolling up bigger sales than ever before in history—topping the popularity that has already made Buick one of the "Big Three."

\$2299.88

puts it in your driveway!

Local delivered price of the 2-door, 6-passenger Buick SPECIAL Sedan, Model 49, illustrated. Optional equipment, accessories, state and local taxes, if any, additional. Prices may vary slightly in adjoining communities. Even the factory-installed extras you may want are bargains, such as: Heater & Defroster... \$81.70; Radio & Antenna... \$92.50.

CHANCES are, you'll be way over if you guess at the local delivered price of a 1955 Buick. Most people are.

And that's easy to understand when you look at a Buick. It's big, broad, roomy—powered for thrilling action. In prestige alone, it would seem to carry a high price tag.

But when you check into things, you discover this surprising fact: Buick is in the nation's top three when it comes to sales volume—and when it comes to low prices that make such huge popularity possible.

The price we show here is one proof of that. And an even bigger one is the soaring success of the 1955 Buick—hottest car in all Buick sales history.

So why miss out on Buick style and power and room and ride when you can have it all if you can afford any new car?

Why do yourself out of the fun and pride and deep satisfaction of bossing a big and brawny beauty like the one pictured here, when the dollars you pay for this Buick buy you so much more sheer automobile?

And why pay extra for things like direction signals, oil-bath air cleaner, full-flow oil filter, automatic lighting

in the glove compartment—when such things, and more, are yours in every new Buick as standard equipment at no extra cost?

Drop in for a visit this week and start checking things.

We believe that when you look into this great car—when you see what you get for the low price you pay—and when you discover what happens when you nudge that gas pedal—you'll say it's gospel that Buick's the thrill and the buy of the year, hands down.

Thrill of the year is Buick

300 Communities Celebrated First Brotherhood Day

WASHINGTON — In the year 1934, some 300 communities in the United States shook off the doldrums of the then current depression long enough to observe something called Brotherhood Day. The observance caused only a ripple of response in the participating communities and it received virtually no national recognition. But to a group of men and women banded together in an organization known as the National Conference of Christians and Jews, that day in April 1934 was exciting and inspirational. And in Denver, Colorado, a Catholic priest, Monsignor Hugh McMenamin was seeing the fulfillment of an idea he had almost casually proposed to the National Conference, two years previously.

Those who worked to promote that first Brotherhood Day saw it become a full week's observance in 1940, and four years later, more than 2,000 communities, among which, for the first time every state was included, celebrated Brotherhood Week. Today the annual observance has taken on all the character of an American institution with more than 10,000 communities participating. Since 1940, the Brotherhood Week dates have always been the full week that includes Washington's Birthday; this year, February 20-27.

Although Brotherhood Week is now a definite part of the American scene, it is a paradox that comparatively little is known about its sponsor, the National Conference of Christians and Jews.

The National Conference of Christians and Jews with a professional staff of experts in the field of human relations is a non-profit organization, well in the background performing its task of fighting prejudice and bigotry through a vast network of community organizations, religious groups, educational institutions, labor-management groups, and all forms of mass-media of communication.

Long Shot Pays Bold Bandit Well

NEW ORLEANS — A long shot paid off to the tune of \$14,500 for a bandit who robbed a branch bank and then fled into the crowd at nearby Fair Grounds Race Track, where he apparently slipped away despite an intense man hunt among 5,000 racing fans.

Officers said the robber must have escaped from the track before they could cordon it off. A search of the grounds and check of all persons leaving the track proved fruitless.

The holdup man, described as about 30, robbed the Gentry branch of Hibernia National Bank. As the alarm sounded, a visitor from Rhode Island, Mrs. Gerda Sheridan, saw the bandit hop into a car with two money bags "and a lot of people after him."

Mrs. Sheridan followed in her own car. She said that a hay wagon blocked the bandit's car near the race track. He ran the car into a ditch and jumped out and headed onto the track.

Mrs. Sheridan ran to the gate and told an attendant there had been a holdup and then ran to a nearby bar to call police.

Slick Seats—Not Icy Streets Get Blame

LOUISVILLE, Ky.—Traffic officers are used to having accident victims blame it all on slick streets, but a 16-year-old driver came up with a new excuse here—slick seats.

That was his excuse for crashing into a telephone pole.

"I wasn't going too fast," the youth told Patrolman Victor Geller. "And the slick street didn't bother me. I've got new seat covers, and when I turned the curve I slid on them—all the way out of the driver's seat."

The impact broke the telephone pole in half and disrupted phone service on six lines for about an hour.

Hoppy Put Slight Cramp in Dock Strike

SYDNEY, Australia — Hopalong Cassidy put a slight crimp in an Australian waterfront strike during his recent visit.

Sydney dockers agreed to unload 10,000 "Hopalong Cassidy Good Luck Medals" from the freighter Ventura for distribution by the Western film star (William Boyd).

Boyd was welcomed by 1,000 men, women and children, some from cattle ranches hundreds of miles away, on his arrival in Darwin.

Uses Wrong Method DALLAS—A judge gave Leslie Johnson, 35, five years in jail for his method of "collecting" \$9 damages to his car after a minor collision.

Testimony said Johnson got out and settled the ensuing argument by drawing a pistol and persuading the other driver to hand over \$9.

Legislative Report

Your State Senator Reports

State Senator Robert McClary, new members of the Illinois General Assembly don't know very much about law-making. That does not mean that the 47 new members in both Houses of our State Legislature are not valuable nor that they will not serve well.

But, at the outset, the new experience is quite overwhelming.

Until about 12 years ago, a new legislator was on his own when he arrived in Springfield. He learned by observing and from his own mistakes.

In fact, he was expected to remain practically mute during his first session in the hope that he would learn by just looking on. This was changed after Noble Lee, Dean of the John Marshall Law School of Chicago was elected to the Illinois House in 1942. Representative Lee, himself, a profound student of American history and of the American political system, decided that new members of the State Legislature should be schooled in their new jobs. Accordingly, he organized meetings of "first-timers" to acquaint the newly elected Legislators with our State government and with their functions and prerogatives as law makers.

This year, when almost 20 per cent of the members are without any previous legislative experience, the school for new legislators is of extreme importance. Two classes (dinner meetings) have already been held, and 3 more have been arranged for coming weeks of the present session.

At the first meeting the new members met with Governor Stratton, Lt. Governor Chapman, Speaker of the House, Warren Wood, president pro tem, Arthur Bidwell of the Senate, and the majority leaders and minority leaders of both the Illinois Senate and House of Representatives.

The Governor's legislative program had already been announced, but the position of the Governor in our system, his aims and purposes, indeed, his function in the legislative process, including his veto power, became clear as the new members learned about these subjects straight from the Governor's own mouth.

It was explained that there was historic significance in the fact that the Lt. Governor, a member of the Executive department, was presiding officer of the State Senate, a part of the legislative branch of our government. It was recalled that the King presided over the English "House of Lords."

The Speaker of the House, who is completely independent of the Executive, was shown to be an outgrowth of the "Speaker" for the feudal lords who persuaded King John to grant Magna Carta in the year 1215.

The other legislative leaders, in turn, described their offices and offered the hand of friendship and assistance of which each newly elected member has special need.

At the next "Class," new members learned about the great legislative aids at their disposal. For instance, the fact finding services of the Legislative Council, and the bill drafting facilities of the Legislative Reference Bureau were described.

Subsequent meetings will ac-

quaint our new law makers with the Code departments in the executive branch, such as the departments of Revenue, Public Welfare, Public Safety, etc.

In turn, the other state officers, i. e. Charles F. Carpenter, secretary of state; Orville Hodge, auditor of public accounts; Latham Castle, attorney general, and the others will each describe the scope and functions of their offices. The position of the press, the lobbyists will be described in still later meetings, giving the new members a chance to learn about the parts played by each of these great agencies.

Representative W. J. "Bill" Murphy of Antioch has been in attendance at these classes for new members, and has already gained an insight into the vast operations of our state government, and has gained first hand information about the duties and powers of a legislator. This has greatly enhanced his value to the people of the 8th District.

Representative Jack Bairstow of Waukegan, and the writer are assisting Representative Noble Lee in arranging the new members' meetings.

This whole program is voluntary and informal, and each of the new members pays his own share of the cost of the dinners. In addition to

their educational value these meetings also develop friendships and understandings which are invaluable to all in this important business of law-making for the people of Illinois.

More than new

Ford's 162-h.p. Y-block V-8 and 182-h.p. Y-block

Special V-8 now offer new Trigger-Torque power!

The Go-power these great engines deliver can come only
from engines which are more than merely new—more than
ordinary V-8 engines. And that's exactly what these Ford
engines are. They are the result of the most advanced V-8
engineering—a result of Ford's experience in building more
V-8's than all other makers combined.

Tried and true

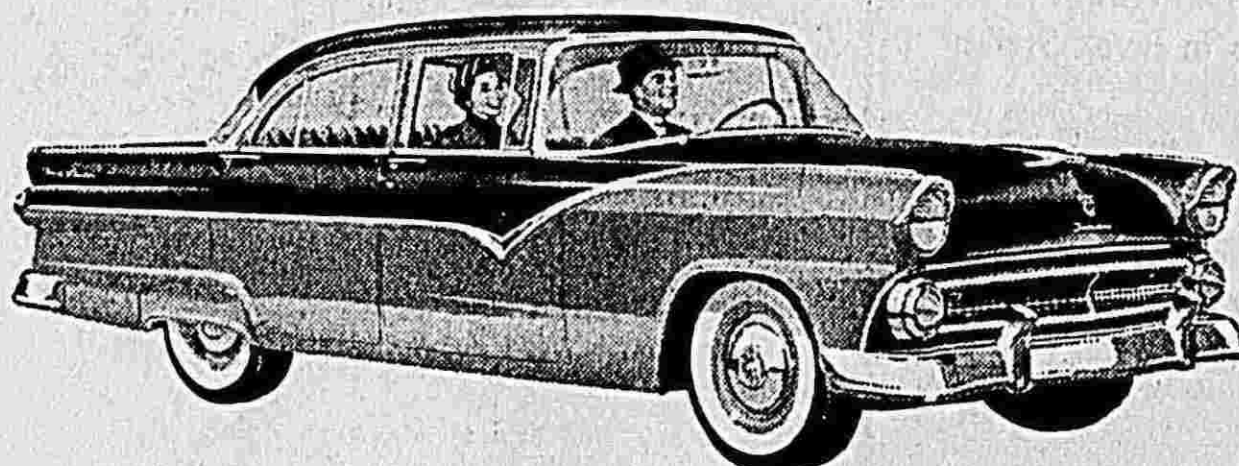

Ford's 1955 engine news resulted from 23 years'

experience building over 14,000,000 V-8 engines

In 1932 Ford introduced the V-8 engine to the low-price field. And it was only just recently that other makers in Ford's field adopted this kind of engine—23 years later. Yet it is interesting to note that the majority of costlier cars had joined Ford in offering V-8's some time ago. Ford's vast V-8 experi-

ence has never paid off better than this year . . . with two great Ford V-8's for '55.

Come in. Take your Test Drive today. Ford has much more to offer that's new. You'll find beautiful Thunderbird-inspired styling—comfortable new Angle-Poised Ride, to name a few.

MILLBURN

Regular services at Millburn Congregational church Sunday, Feb. 27 will include Sunday School at 9:45 and church services at 11 o'clock.

Rev. Delbert Schrag of Ivanhoe had charge of the church services Sunday in the absence of Rev. L. H. Messersmith.

Rev. and Mrs. L. H. Messersmith left Saturday for Farnam, Nebr., where they were called by the death of the former's father, Mr. Harry Messersmith at the Gothenburg hospital Saturday evening. Funeral services were held in Farnam Tuesday afternoon.

The March committee of Ladies' Aid will have a roast beef dinner cafeteria style in the church dining room Thursday, March 3 at noon. Mrs. Lyman Thain is chairman, assisted by Mrs. Wilfred Browstad, Mrs. James Foster, Mrs. Gordon Bonner, Mrs. Bert Doolittle, Mrs. Lloyd Miller, Mrs. Robert Clark and Mrs. Walter Stangaard. A business meeting will be called at 2 o'clock with devotions by Mrs. Robert Denman and Mrs. Theodore Frank of Waukegan, speaking on "Women of Egypt."

Mr. and Mrs. Oscar Harness and granddaughters, Linda and Jessie Harness of Dana, Ind., Mrs. C. C. Nelson, Mrs. Eugene Bunnell and son, Paul, of Monticello, Ill., spent the week end at the Thomas Harness home and attended the Harness-Sinesh wedding and reception.

Mr. and Mrs. Verlon Groves returned Friday from a ten day stay at Demedji, Minn., where they were called by the death of Mrs. Groves' mother.

Mr. and Mrs. Orville Hairrell, Jr. and sons of Waukegan and Mr. and Mrs. Elmer Hauser of Hickory were callers at the Frank Hauser home Sunday afternoon.

Mrs. Esther Nielsen of Gurnee is spending a week with her sister, Mrs. Anna Bauman.

Mrs. Caroline Whipple and Miss Barbara Pope of Evanston spent Saturday afternoon with Mrs. Carl Anderson.

The Allan Johnson family of Gurnee spent Sunday afternoon at the John Haisma home.

Miss Virginia Harness, daughter of Mr. and Mrs. Thomas Harness, and George Sinesh, son of Mr. and Mrs. Fred Sinesh of Antioch were married in Millburn church Saturday afternoon at 4 o'clock by the Rev. Kenneth Plummer of Lake Villa. The reception was held at El Rancho Pasadena north of Antioch Saturday evening. The couple left on a short wedding trip, after which they will be at home in Gurnee.

Miss Katherine Minto of Decatur spent the week end with her parents, Mr. and Mrs. D. H. Minto. Other guests for dinner at the Minto home Saturday were Mr. and Mrs. Wallis Hines and three children of

Aurora and Mr. and Mrs. H. M. Johanningmeier and son Mark of Waukegan.

Members of Millburn unit of Home Bureau met at the home of Mrs. Otto Mara at Russell Friday afternoon for dessert luncheon at 1:30 o'clock, followed by the business meeting. Mrs. Donald Holem gave two lessons, "Guard Your Heart" and "Understand Teenagers." One guest, Mrs. W. F. Wetzel of Wadsworth unit was present. The next meeting will be at the home of Mrs. Donald Holem.

Mr. and Mrs. Albert Smith and daughters, Mrs. Myrtle Savage and Miss Josie Mann were Sunday dinner guests at the Thomas Mann home in Waukegan. This dinner was to celebrate the birthdays of Harvey Mann and his granddaughter, Susan Mann.

Mr. and Mrs. Tom Cosgrove of Elmhurst, Mr. and Mrs. Al Baumgart and family of Union Grove, Wis., and the Jack Neahous family of Russell were dinner and supper guests of their parents, Mr. and Mrs. Oscar Neahous Sunday.

Mr. and Mrs. Ernest Wells left Chicago Monday afternoon by plane for San Mateo, Calif., where they will spend a month with their daughter, Mrs. Ray Miller. They also expect to visit Mrs. Wells' brother, Asa Patch, in Sweet Home, Oregon.

Fourteen ladies met at the church Thursday for a special sewing day on Ladies' Aid work.

Mr. and Mrs. Leslie Bonner returned Saturday evening from a vacation trip to Florida.

Mr. and Mrs. John Howle of Waukegan were dinner guests at the Ed Hoffman home Sunday.

Mr. and Mrs. Elmer Hauser became the parents of a daughter on Feb. 22 at the Condell Memorial hospital at Libertyville.

Mr. and Mrs. Ernest Peyer left Tuesday for several weeks vacation in Florida.

Mr. and Mrs. Charles Bottorfs of Libertyville were Sunday dinner guests at the Carl Hughes home.

Mr. and Mrs. Richard Savage of Kallistell, Mont., were guests at the Lyman Thain home Friday.

The Couples Club met at the church Tuesday evening with 26 present. Mr. and Mrs. Arthur Reigler and Mr. and Mrs. Homer White were in charge of games and refreshments.

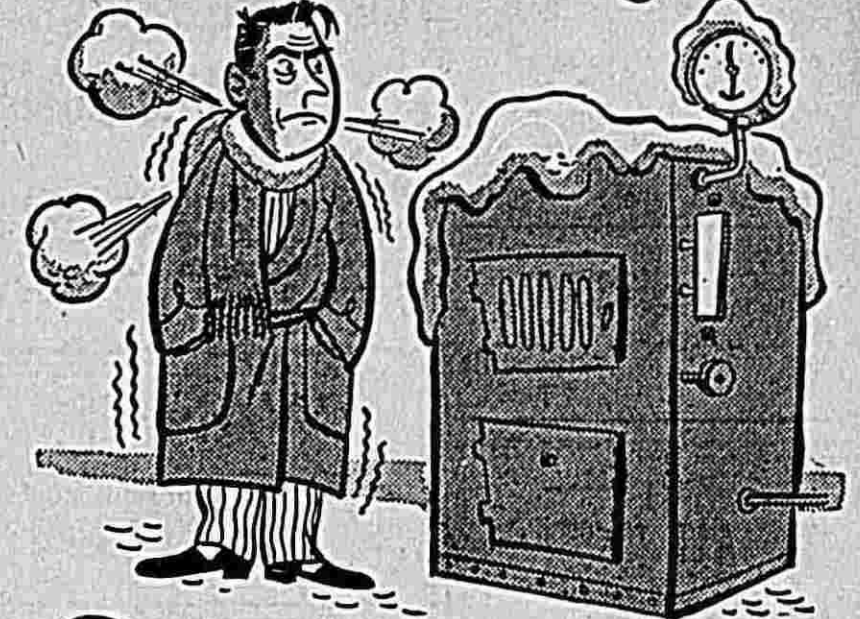

Mr. and Mrs. James Davis and family were guests for dinner on Sunday at the Fred Davis home.

Brilliant New Styling-Blazing New Power
at everybody's price*

The 1955 Pontiac is evidence that price is no longer a factor in making the step to fine-car luxury and performance.

Every new Pontiac you see emphasizes the fact that here is the most distinctively styled car of all. But Pontiac's brilliant styling is only part of all that's new and modern in this great General Motors masterpiece. A few

minutes behind the wheel provides the clinching evidence!

Pontiac's mighty Strato-Streak V-8 responds instantly, whether you're in city traffic or cruising the open road. With Pontiac's new, bigger brakes and recirculating ball steering, handling is almost effortless. New wide-stance rear springs; roomy, luxurious Body by

Fisher and shock-proof chassis complete the fine-car picture.

Normally, all this would add up to high price—but Pontiac has changed the pattern with prices that start so close to the lowest that if you can afford any new car you can afford the easy and satisfying step to Pontiac pride and distinction. Why not come in at your first opportunity and get the facts and figures?

Go Modern... Go **Pontiac**

WITH THE SENSATIONAL STRATO-STREAK V-8

Three Great Lines—All with Strato-Streak V-8 Power
660... 870 and STAR CHIEF

Engineering advances by the score have been incorporated in Pontiac's Strato-Streak V-8 to enhance even further Pontiac's reputation for economy, dependability and long, trouble-free life.
